Seasonal, Southern-Inspired. Executive Chef Steven Satterfield has done nothing but wow diners since he first opened the doors to his first restaurant, Miller Union. His rustic Southern cuisine utilizes local and organic products, and the menu changes regularly to reflect the freshest ingredients available. **Signature Dishes:** Farm egg baked in celery cream with rustic bread; seasonal vegetable plate; slow-braised rabbit with wild mushrooms and grits; and grilled mountain trout with bacon, potatoes and vidalia vinaigrette. **What We Love:** The restaurant's design is divided up into six different rooms, which makes a packed house here still seem quite intimate.
