## SPOTLIGHT

### Let's All Scream

Miller Union is a critic's darling, earns rave reviews from fans, and was even nominated for a James Beard Award for best new restaurant. That said, we just want to talk about the ice cream. Or specifically, the homemade ice cream sandwiches. Two ice cream selections are available daily. They come stuffed between two freshly baked cookies in yummy flavors like vanilla, strawberry, butterscotch, butter pecan, chocolate marshmallow, roasted banana and ginger. In a word: Yum. **See page 20.**
