Dear BA Foodist,
 Looking back on 2010, what were
 your most memorable meals of
 the year?
 SIGNED, *List Lover*

DEAR LIST,
 Burgers, fried chicken, and
 just about anything containing
 bacon dominated 2010. I ate
 my fair share of these foods,
 but ten dishes really stood out.

- 1/ Hamachi tostada with fish-sauce vinaigrette; Animal, Los Angeles
- 2/ Salumi misti; Adesso, Oakland, California
- 3/ Butterscotch-marshmallow ice cream sandwich; Miller Union, Atlanta
- 4/ Deep-fried Michigan smelts with crème fraîche; Nightwood, Chicago
- 5/ Foie gras custard brûlée; Sage, Las Vegas
- 6/ Farro budino; Pulino's Bar & Pizzeria, New York
- 7/ Fusilli with dirty duck ragu; Torrisi Italian Specialties, New York
- 8/ Breaded, deep-fried kimchi; Biwa, Portland, Oregon
- 9/ Razor clams and parsley with horseradish-mussel juice; Noma, Copenhagen
- 10/ Chipirones (small squid) a la plancha with olive-oil-fried egg; El Quim de la Boqueria, Barcelona
