WINE ENTHUSIAST AMERICA'S 100 BEST WINE RESTAURANTS 2014

We hope you're thirsty—2014 is the year of the oenophile, and *Wine Enthusiast's* list of America's 100 Best Wine Restaurants caters to those looking to drink up while dining out. The focus is firmly on wine (although delicious, creative cuisine is kind of a prerequisite), and our editors scoured the nation for unique wine programs. From an obsessive collection of Champagne in Chicago to an eatery in New York City where it's free to BYOB (as long as you're in a sharing mood), there's something to sate every wine lover.
